

Your Bowl, On The Go.

OAKBERRY Açai is a company planned to fill out a major gap in the healthy food market. Not everybody have the time to spend, or even want to have the time to spend, to fill up with energy.

Our mission is to deliver a tasteful and fresh experience, in no time.

We know that your time must be as precious as your health. Those might be two of the most important matters in your day by day life.

Thats why, by the time you get to an OAKBERRY store, you're your order and get your fresh bowl, you won't be spending more than 2 minutes. And that's Guaranteed.

The Way We do it!

- 1.** Choose your Bowl size.
- 2.** Look at the **UNLIMITED** toppings in our menu (or even on the fresher showcase you gonna see today). Pick whatever you want!
- 3.** Just wait to fill yourself up with energy!

* Toppings may change due to seasonal changes.
